

**CITY OF PORTALES
RESOLUTION #13-14-47**

A RESOLUTION PROMOTING WATER CONSERVATION

WHEREAS, the Mayor and the City Council of the City of Portales recognize that water is both an essential element for life and a limited resource; and

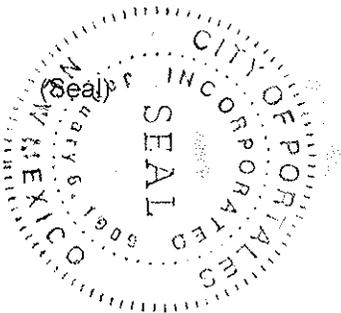

WHEREAS, the City of Portales, through various public education and outreach efforts, encourages water consumers to enact ongoing, voluntary water conservation practices in order to insure and protect the availability of the supply of water for all the residents and consumers; and

WHEREAS, the City of Portales encourages residents and business owners to contact City Hall to obtain or review copies of water-wise use and conservation information, to use the information and links on the City of Portales website, and pursue additional information and educational programs on water conservation in our local area; and

WHEREAS, the City of Portales finds that water is a precious natural resource and both short-term and long-term supply conditions require that water be conserved; and

WHEREAS, the City of Portales supports an ongoing process to continually review the water conservation needs within the City of Portales and further develop its action plans for ongoing water conservation measures;

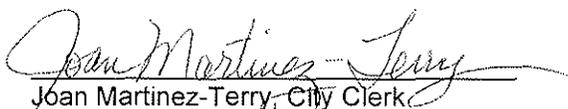

NOW, THEREFORE BE IT RESOLVED THAT THE GOVERNING BODY OF THE CITY OF PORTALES, NEW MEXICO, APPROVES, PASSES AND ADOPTS RESOLUTION 13-14-46 PROMOTING WATER CONSERVATION MEASURES IN THE CITY OF PORTALES, NM this **15th** day of **APRIL, 2014**.

Michael G. Miller, Mayor Pro-Tem

ATTEST:

Joan Martinez-Terry, City Clerk
