

PLUMBING & UTILITY

Public Notice:

TLC Plumbing and Utility continues to progress on the pipeline through Portales.

-18th Street will be closed to through traffic from NM 206 to S. Globe for repaving from 6/3/15 to 6/5/15.

Please follow traffic control in the project area.

We are making every attempt to minimize disturbance and appreciate the patience and hospitality shown by the community thus far. Please continue to check back for updates. For more information, call 505-761-9696.
