

# TOGETHER WE CAN BEAUTIFY OUR COMMUNITY

The City of Portales' Clean & Beautiful program is conducting a Quarterly Community Clean Up.

The first quarter will run from July 1, 2018 to September 30, 2018. The area we will be targeting will be to clean your Front Yard/Porch Area which consists of ridding your property of any trash, weeds and unwanted items.

During each Quarter residents who submit a before and an after picture and keep their yard in proper order will be placed into a drawing. The winner of the Drawing will receive a tool set, trash bags and gloves to continue the upkeep of their yard.

### **\*\*\*REMINDER\*\*\***

All City of Portales residents who are on City water/sewer/garbage can dump their trash at the convenience center for free, must show copy of paid water bill.
